The National Coal Council (the Council) will hold a virtual meeting via webcast at 2:30 pm – 3:30 pm Eastern on October 12th, 2021 for the sole purpose of presenting findings and recommendations from the following report:

“Carbon Forward: Advanced Markets for Value-Added Products from Coal”

The draft report will be available on the National Coal Council website at the following URL:
<https://www.nationalcoalcouncil.org/studies/2021/Carbon-Forward-Advanced-Markets-2021.pdf>

The email address you provide in the on-line registration form will be used to forward instructions on how to join the meeting using WebEx. WebEx requires a computer, web browser and an installed application (free).

Instructions for joining the webcast will be sent to you two days in advance of the meeting.
